

Bad Zurzach, 14.03.2020

**Offer day structures Cheschtenebaum during Corona situation
Version 01/2020**

Dear parents

In connection with the spread of the coronavirus, the government and the canton have decided on new measures that also influence the offer of the Cheschtenebaum child care centres:

- Suspension of compulsory education from Monday 16.03. to Saturday 04.04.2020
- Ensure that emergency school care is available within the existing schedule

We refer here to the corresponding letters from the primary and district schools. If you use the emergency care services at the schools, please communicate directly with the responsible teachers at the schools.

For privately run day-care centres and day-care centres for pupils, there have not yet been any ordered closures. Therefore Cheschtenebaum applies for the day care structures until further notice:

- Continuation of normal operation according to our company regulations and your individual care agreements
- Deregistration and private care of sick children in accordance with the measures we have communicated to you so far based on the recommendations of the BAG and kibesuisse

For the after-school care area, the following applies additionally:

- From 08:20 - 11:45 a.m. there will be no childcare in the Cheschtenebaum for pupils and kindergarten teachers as usual
- In the afternoon, as an emergency and until further notice - as an alternative to the school emergency care offer - we offer an additional care module from 1:30 - 3:00 pm for 12,- CHF, provided that your child is already registered for lunch and/or late afternoon care on that day
- School activities such as school sports and music school in the afternoon will be cancelled until further notice
- Due to the increasing loss of leisure activities, please confirm that if your child still needs to take advantage of other offers while being cared for in the Cheschtenebaum. Only in this way can we reliably fulfil our duty of care and diligence. If we do not receive any information from you, we will keep your child in the day care center for the entire booked care period.
- Please inform us about cancellations, additional bookings and leisure activities exclusively by email hort@cheschtenebaum.ch or call 079 783 81 48 (please not by sms)

New rules apply to the spring holiday care in the after-school care centre:

- The implementation and programme of the holiday care depends on the further development of the Corona situation
- We are extending the registration period initially until Monday, 30.03.2020 and, based on the information known to date, are limiting the number of places to a maximum of 24 children per day
- Currently we are not planning - contrary to the previous communication - any excursions and no use of public transport

Dear parents, the Corona situation is extraordinary and challenging for you, your children, our team and everyone else. Please behave responsibly and considerately. We strive to support you with our offer in the best possible way.

Should we receive new instructions, we will continue to inform you immediately. You yourself can keep you up to date via the following websites:
